

# Woodura Planks 3.0

## GREVIE 3.0 XL

Grevie is a modern hardened wood floor in a brushed lacquer that adds elegance to a room. The subtle Earth Grey shade has been paired with the Select grading, which is clean-looking and harmonious. Made from FSC-certified European oak, the brushed lacquer surface provides a natural wood feel – similar to oiled floors – but the lacquer makes the floors easier to clean and maintain. We recommend brushed lacquered surfaces in all areas of the home.
